On the 9/11 disaster.
In this thread, I will post the resources I have gathered around the idea of 9/11 having been an "inside job".
The topics to evidence it will be:
- Dancing Israelis
- The 3rd collapsed building with multiple evidence of a planned basement detonation

I could have developed it better and further, but the point is made I hope, especially for those experienced, and those with the eyes to see.

very valuable clear information, the last actual president USA has ever had was JFK.

We should study the advice and warnings from
Harry S. Truman (1945-1953)
Dwight D. Eisenhower (1953-1961)
John F. Kennedy (1961-1963)

the last three real US presidents.
